

Chair's report

I would like to thank all the volunteers who work for Got to Read in a variety of roles for another successful year helping adults to become confident readers. I am sure that the warm and welcoming atmosphere you all create that has been a characteristic of the organisation since it started is one of the key ingredients to this success.

There is a very settled feel now to our base at Tower St; I would like to extend our thanks to our landlords, St. Mary-le-Tower Church, for continuing to offer us the space. I would also like to thank all those who have made donations that have enabled us to keep going, especially the staff at Gotelee, the Rotary Club and the Suffolk Book League.

CEO's report

We have had a good year and enjoyed being in the Tower House space. I would like to thank Anna and the staff of La Tour Café on behalf of our students and volunteers for all of their warmth and support during the year and wish them well in their new location.

We have continued to support up to twenty students at a time and this has been a very steady pattern. We look forward to working in partnership with the Let's Talk Reading project over the coming year to expand our service and reach more students.

I am working with some of our more experienced volunteers to find ways of providing more cover for student interviews and support for less experienced volunteers and look forward to watching Got to Read grow as a result.
